# Process

Interested in the Rural Entrepreneur Program but not sure what our process is? This will help!

## Step One

Read the terms and conditions of the Alberta Advantage Immigration Program (AAIP) to determine if the program meets your needs.

## Step Two

Review the program and see if you meet the Eligibility Criteria including experience, education, language, net worth and investment ability.

## Step Three

Submit an Expression of Interest (EOI) to be reviewed by the AAIP. Higher ranking candidates will be asked to submit a Business Application.

## Step Four

Submit the Business Application documents. Application requires payment of non-refundable fee to be evaluated.

## Step Five

Your Business Application will be assessed and further information may be required, prior to acceptance.

## Step Six

Establish your business in Alberta. Follow up reporting and successful operation will be monitored.
